

Fire TV Cube Hands-free streaming device with Alexa, 4K Ultra HD (2019)

B07KGV6D6

SKU: 170495

Fire TV Cube lets you put down the remote and dive straight into your favorite movies and TV shows with the sound of your voice. From across the room, just say, “Alexa, play The Mandalorian on Disney+” and Alexa will respond to your request.

Switch inputs and go from watching your favorite TV show to the big game. You can also ask Alexa to check the weather, set timers and reminders, and more—even when the TV is off.

#### Features

- The fastest, most powerful Fire TV streaming device.
- From across the room, just ask Alexa to turn on the TV, dim the lights, and play your show.
- Control compatible soundbar and A/V receiver, and change live cable or satellite channels with your voice.
- With the built-in speaker, ask Alexa to check the weather, turn off the lights, and more – even when the TV is off.
- Access to 4K Ultra HD content, plus support for Dolby Vision and HDR, HDR10+.
- Tens of thousands of channels, Alexa skills, and apps - Including Netflix, YouTube, Prime Video, Disney+, Apple TV, HBO Max, and Peacock.
- Designed to protect your privacy - Built with privacy protections and controls, including a microphone off button that electronically disconnects the microphones.
