

DENON

3 x 1 HDMI Switcher

AVS3BK

SKU: 175405 UPC: 747192136130

The Denon 3 in / 1 out HDMI Switcher allows you to connect up to three 8K devices to a select Denon 8K AV receivers.

Features

- Supports automatic power-on and input switching by CEC (HDMI Switcher, AVR and display) for ease of use.
- Compact size - No bigger than a Blu-ray case in width and depth.
- Custom-Install friendly - A wall-mount bracket is included to allow mounting to a wall. It also features wired IR remote repeater connectivity in case the AVE-3 and AVR are in a rack or behind a cabinet blocking IR reception.
