Nest Cam w/ Floodlight Pro

GA02942-US

SKU: 173119   UPC: 193575011110

Nest Cam with floodlight shines a brighter light on what's happening at home. The smart security camera detects important activity and knows the difference between people, vehicles, and animals. It automatically turns on the lights and sends you an alert. View live HD video, replay video recordings, talk to visitors, and more – all from the Google Home app. Nest Cam with floodlight requires a free Google Account and is not compatible with the Nest app or the home.nest.com site.

Features

- Control it if you're away - You can turn on the lights remotely to deter any unwanted persons or animals, whether you're home or not.
- Built-in intelligence for better detection.
- Shine a brighter light on what's happening
- Talk through the camera - Don't just watch. With two-way talk, speak through the camera from anywhere.
- Just ask Google. - You can ask Google to turn on the lights and show you the video feed using just your voice with a Google Assistant-enabled device.
- Dial brightness up or down - Decide how bright or dim the lights should be for different times of the day or night.
- Control sensitivity and timing - Set up your Activity Zones, sensitivity, and kinds of detection so you only get alerts about what matters.
