ProSeries Wireless Heat Detector

PROSIXHEATV

SKU: 170134 UPC: 194160003893

Increased Security, Easy Installation Designed for systems that support SiX Two-Way Wireless Technology, these devices deliver significant advantages—including faster installation, easy troubleshooting, remote diagnostics and increased RMR. The suite of next-generation devices includes motion, smoke and glassbreak detectors, door/window sensors, two-way wireless key, indoor/outdoor sirens and more.

Features

- SiX sensors feature a battery pull-tab, auto-enrollment and no-touch adjust to speed installation and eliminate errors
- Devices can be configured remotely as needed, reducing the need to schedule on-site visits
- The System Health Check feature lets you monitor device signal strength, sensor settings, and battery life anytime, anywhere via AlarmNet 360, letting you quickly and proactively troubleshoot
- SiX Two-Way Wireless Technology employs true, 128-bit AES encryption for a high level of security
- Reduce truck rolls with user-replaceable batteries and the ability to remotely adjust sensor parameters and download software updates
