

## 18 Space CWR Data Swing Wall Rack, 26" Deep

CWR-18-26PD

SKU: 40094    UPC: 656747113031

Middle Atlantic Products CWR-18-26PD CWR Data Swing Wall Rack 12-24 threaded rackrail and rear latch lock. Specifically designed for structured cabling, the CWR is a versatile system for mounting multiple patch panels and other voice/data equipment where floor and wall space are at a premium.

### Features:

- Welded steel construction for strength
- 26 width provides extra space for cables and patching
- Comes standard with adjustable wide-face rackrail
- Locking swing open center section for front and rear access
- Includes a locking/latching plexi front door for added security
- Front door can be easily reversed for left or right hand swing
- Engineered for passive thermal management; optional fan kit available
- Bag of 50 mounting screws included
