

Outdoor 1080P Wi-Fi Camera with Two Way Audio

ADC-V724X

SKU: 174202 UPC: 85001077344

The ADC-V724X is Alarm.com's first outdoor camera with Two-Way Audio, allowing for proactive deterrence of unwanted activity on a customer's property. Powerful Video Analytics from Alarm.com can detect and alert customers to people and animals active around their homes or businesses. Two-Way Audio gives your customers the power to discourage unwanted visitors. Plus, thanks to Onboard Recording with Smart View your customers can locally record encrypted video onto a microSD (sold separately) and view footage from anywhere.

Features

- Two-Way Audio to hear and speak with visitors
- Microphone and speaker
- Video Analytics for smarter detection and relevant alerts
- Onboard Recording with Smart View for continuous, local, encrypted recordings
- High Dynamic Range (HDR)
- Wi-Fi (2.4 or 5 GHz)
- Audio included in recorded clips for additional awareness
- Works with the Alarm.com Customer Website and Mobile App
- Improved mount for long-term stability
- Easier access to microSD card door
