

Maestro Companion Dimmer - Midnight

MSC-AD-MN

SKU: 33672 UPC: 27557802918

Lutron Maestro Companion Switch

The Maestro Wireless solution incorporates Maestro Wireless load controls, wireless sensors, and wireless remote controls, which provide a system that delivers energy savings, convenience, and ease of installation.

Maestro Wireless dimmers and switches use Lutron patented Clear Connect RF Technology, which enables wireless communication with Radio Powr Savr sensors and Pico wireless controls for light control and general switched loads.

Features

- Companion Switch for Multi-Location
- Lutron patented Clear Connect RF Technology works through walls and floors.
- Incorporates advanced features such as fade ON/fade OFF, high-end trim, and rapid full-ON.
- LEDs indicate light level and glow softly in the dark
- Delayed off provides light as you exit the room
- Light levels can be fine-tuned by pressing and holding the dimming rocker until the desired light level is reached.
- When ON, press and hold to engage 20-second fade to OFF.
- Coordinating Claro, Satin Colors, and Stainless Steel wallplates only available separately
