Wireless Door / Window Contact

5800MINI

SKU: 62093    UPC: 886618240126

The 5800MINI provides all of the advantages of Honeywell's field-proven, quick-install 5800 Series wireless devices, with the addition of signal transmission and low-battery LED indicators. Now available in brown, (5800MINIBR), the 5800MINI provides a single zone of protection and installs easily on doors or windows with the included double-sided adhesive tape. It virtually disappears when installed and blends with any decor, making it ideal for applications where aesthetics are critical such as ornate doors, casements and double-hung windows.

Features

- Signal transmission and low battery LED indicators:
  - - Blue LED – Ensures optimal magnet placement
  - - Green LED – Sensor is transmitting
  - - Red LED – Low battery warning
- Compact and unobtrusive design— ideal when aesthetics count
- Easy-to-open case requires no special tools
- Case tamper protection
- Ideal for double-hung windows
