SKU: 174434    UPC: 041093723537

CONNECT PRO is the completely redesigned system for holding, charging, and protecting iPad. This direct replacement for IPORT LAUNCH includes the familiar components: BaseStation, WallStation, and Case, now with an optional CONNECT PoE+ Upgrade. The electrical charging enhancements and a uniquely modular design provide a powerful and more flexible charging capability that supports all iPad models, including iPad Pro.

The Connect Pro BaseStation enables table-top magnetic mounting and wireless charging of iPad at an ergonomic 45 degree angle. Mount iPad in portrait or landscape orientation and change orientations on the fly by simply rotating. Secure iPad-in-case to the BaseStation by activating the integrated Case Lock with the supplied key for a fully secure temporarily locking solution. Power iPad at 5V 3A using the supplied power supply or upgrade to PoE+ power with the PoE+ Upgrade (72109 sold separately).etly).
