

6 Space Clamping Rack Shelf

CAP6

SKU: 14242 UPC: 65674700313

Captivate components with CAP Series clamping rackshelves. Rubber-lined clamps secure a component from the top. Adjustable rear "L" brackets prevent units from being pushed back. Vented bottoms with a robust 16-gauge steel design that maintains structural integrity in mobile applications. Finished in a durable black powder coat. Useable shelf area is 17.38"w x 15.10"d.

Features

- Clamping shelf holds components securely with rubber-lined clamps
- Vented sides and bottom for efficient cooling
- Robust steel construction with black powder coat finish
- Ships ready-to-assemble to save space
