VENUE SERIES

Venue Series 6x9" HLCD Outdoor Speaker - Black

VS-69 PRO-B

SKU: 171105 UPC: 810042170209

Wet Sounds VS-69 PRO utilizes Wet Sounds' Horn Loaded Compression Driver (HLCD) technology, combined with a reinforced composite mid-bass driver, and features 4? and 70v adjustable tap settings, including 10W, 20W, 40W & 80W.

Developed for surface or landscape installation (with optional landscape spike), the VS-69 PRO provides incredible coverage in a landscape application. The weatherproof enclosure features Wet Sounds' reaction technology, consisting of a single aluminum passive radiator to deliver superior bass response.
