

Round Perforated Grill for 8" Strategy Speakers

FA720-8

SKU: 24738 UPC: 612079113484

Aesthetic value highlights the round Strategy FA720-8 grille. The unit's sturdy, two piece construction features a perforated, mesh grille, welded to a formed outer ring. The grille's perforated design and narrow ring width enable it to embrace selective applications, while providing optimum speaker performance.
