

## Caseta Wireless 4-Speed Fan Control - Black

PD-FSQN-BL

SKU: 156202    UPC: 784276260824

Experience the ultimate comfort and convenience with the NEW Caseta Wireless Smart Fan Speed Control. This fan control gives you the ability to turn your fan ON/OFF or choose between four speeds for increased comfort. Eliminate your pull chains - use with the wireless Fan Pico remote (PJ2-3BRL-GXX-F01, sold separately) for control from anywhere around your home. For increased versatility, add the Smart Bridge (L-BDG2-WH, sold separately) and use with the Free Lutron app to set up your favorite scenes and create schedules based on time of day. Integrate with other Smart Home brands, including Amazon Alexa, the Google Assistant, and more. Coordinating wall plate sold separately.

### Features:

- **ELIMINATE PULL CHAINS:** Provides control of your ceiling fan right from the wall. Choose from 4 fan speeds plus off, for increased comfort
- **WIRELESS CONTROL:** Pair with the Fan Pico remote (PJ2-3BRL-GXX-F01 sold separately) for wireless control from anywhere around your home
- **MOST CONNECTED:** Caseta connects with more leading smart home devices – including Amazon Alexa, Apple HomeKit, the Google Assistant, Serena shades and Sonos – than any other smart lighting control brand (smart bridge required)
- **CONTROL YOUR WAY:** Caseta puts the smarts in the switch so you can control your ceiling fan multiple ways – via the free Lutron app, your voice, or from the wall. Create schedules that turn your fan on to a certain speed or activate a scene with the touch of a button (smart bridge required)
- **EASY 3-WAY SETUP:** Create a 3-way by mounting Fan Pico to almost any wall surface without cutting holes or pulling wire, with a Pico wall mount bracket (PICO-WBX-ADAPT sold separately). You can also replace existing 3-way switches by mounting the bracket and Pico over the backbox
- **TECHNICAL DETAILS:** up to 1.5A single ceiling fan; single pole only - add Fan Pico (PJ2-3BRL-GXX-F01, sold separately) for 3 way control
- **EASY INSTALL:** Replaces existing switch and installs in as little as 15 minutes; NEUTRAL WIRE REQUIRED
- **INCLUDES:** (1) Caseta smart fan speed control; coordinating wall plate and accessories sold separately
