

## 18 Space SRSR Series Slide Out Rotating Rail System Rack

SRSR-4-18

SKU: 20994    UPC: 656747043260

Specify an SRSR for easy rear access to equipment connections in millwork cabinets and flush in-wall installations. Available with a 19" or 23" useable depth the SRSR system extends and rotates 90 degree in either direction making it ideal for smaller systems.

### Features:

- Removable rack frame allows in-shop integration and on-site installation of equipment
- Locks in the extended position for simplified equipment integration
- Rotating equipment bay locks in place at 0 degree 60 degree and 90 degree for easy installation and servicing
- Self-centering mounting base makes it simple to align system within cabinet opening
- Rear cable support works in conjunction with rear rackrail for effective cable management
- Standard front and rear 10-32 threaded rackrail with marked spaces
