

1 Space Half Rack Shelf, 11.5" Deep

HR-UMS1-11.5

SKU: 67551 UPC: 65674718584

The Middle Atlantic HR-UMS Multi Shelf (11.5" Depth) is an excellent solution for mounting half-rack A/V equipment such as wireless units in the Half Frame Racks. The holes and slots in the shelf can accommodate virtually any half frame mounting pattern. In addition, the unique design of this shelf also allows complete customization of your rack setup for smaller and unusual-sized equipment.
