

## Diva Magnetic Low-Voltage 3-Way Dimmer w/ Nightlight - White

DVLV-603P-WH

SKU: 30546    UPC: 275576881920

Diva from Lutron is a simple and elegant solution designed to match your existing designer opening switches and accessories. This Diva is for use in 300-Watt electronic Low-Voltage 3-way applications. You can easily turn the lights on and off with the paddle style switch. While the lights are turned on, use the slide control to adjust the lights to your desired level creating your perfect light. The paddle switch returns the lights to your favorite preset level. A soft locator light glows in the off position, making the dimmer easy to find in the dark. Installing a Diva dimmer is easy and saves energy too. You can replace your existing switch with a Diva dimmer in as little as 15 minutes. Then dim the lights just 50% to save 40% electricity and extend bulb life 10 times. Coordinating Claro wall plates and accessories sold separately.
