VENUE SERIES

## Venue Series Landscape Ground Spike

VS-LS-SP

SKU: 171109    UPC: 810042170223

The Wet Sounds Venue Series Landscape Spike for the VS-69 PRO allows you to install the speakers in the ground with a landscape system and adjust the speaker angle for broad coverage. Conventional landscape speakers use multiple small drivers, spaced around an outdoor area. With a VS-69 PRO landscape install, you have the ability to increase output and coverage with fewer speakers.

### Features
