

## RadioRA 2 Connect Bridge

CONNECT-BDG2-1

SKU: 64134    UPC: 784276177641

Pair your home lighting with the Lutron Radio RA2 Connect Bridge, and control your lights from anywhere in the world. The Connect Bridge pairs with the Lutron App you download on your phone, allowing you to set lighting moods, schedule lights, or turn them off from across the globe. The app works with most smartphones, tablets, and smartwatches. Order your CONNECT-BDG2-1 today, or contact one of our certified lighting specialists to learn more.
