

## 20 Space SRS Series Slide Out Rail System Rack

SRS4-20

SKU: 41858    UPC: 65674702665

Middle Atlantic SRS4-20 is part of the SRS Slide Out Rack System Series. Specify an SRS for rear access to equipment connections in millwork and cabinets. System extends a full 19" but does not rotate. Good for smaller millwork and in-wall installations.

- System pulls out a full 19", providing rear access to equipment with shallow depths
- Trim panel secures unit closed
- Shown with optional triple-hinged, full-width cable carrier for additional cable management SRCC
- Standard front (20 spaces) and rear (7 space) 10-32 threaded rackrail with marked spaces
