Surface Mount - Bezel for iPad 10.2" - Silver

70797

SKU: 74114 UPC: 4109370797

IPORT Surface Mount is the most elegant way to permanently mount iPad on a wall or solid surface. iPad is contained in a minimalist aluminum bezel that doubles as the central mounting component. iPad stays secure with built-in locking components in the bezel. Surface Mount integrates iPad onto any solid surface, wall, or onto glass while maintaining complete access to the iPad power button, microphones and speakers while in the bezel. Available in black, silver or white finishes, Surface Mount is the best iPad wall mount to install iPad on any surface while ensuring it blends into your space.
