1000 Compact High-Definition Satellite Speaker

PMON1000BK

SKU: 55172 UPC: 93207022739

ProMonitor Loudspeakers satisfy your need for small, easy-to-place systems with speakers that deliver the true state-of-the-art, no-compromise performance you want. ProMonitors are full-range speakers. Use them by themselves in a host of applications (including as stand-alone bookshelf, stand- or wall-mounted speakers). Pair them with matching powered subwoofers and center channels to build music and movie systems of astonishing performance capability: ultra-smooth high-definition clarity and musical linearity combine with superb transient response, tremendous dynamic range, rich warmth and precise room-filling three-dimensional imaging. Single Speaker - Sold Individually - Purchase Two for a Pair. Authorized Dealer. Full Warranty and award-winning customer service.
