

## Maestro Electronic Low Voltage Smart Dimmer - Gray

MAELV-600-GR

SKU: 32540    UPC: 275574430748

PROLIGHTING's selection of Lutron MAELV-600 Maestro electronic low-voltage dimmer is perfect for us in new construction or in upgrading your existing home. Choose the preset light level that fits your needs. Dim from up to 10 locations when installed with our Lutron MA-R companion dimmer. Use the MAELV-600 to control electronic low-voltage transformers.

### Features:

- Available in seven colors: white, ivory, almond, light almond, gray, brown and black
- Requires Lutron Claro wallplates to complete installation (sold separately)
- Front accessible service switch (FASS)
- Power failure memory
- One-year warranty
