

Indoor Motion Sensor Honeywell Compatible

RE261

SKU: 154215

Important Notice: This product is special order only. It is non-cancellable and non-refundable.

With a similar detection area as the RE610P, this commercially-rated motion sensor monitors the interior of a business. This device ignores small rodents but protects without immunity against larger pets, capturing motion on cats and dogs.

Feature

- 85° detection range with 78 distinct detection zones
- Range up to 40 feet
- Selectable pulse count 2 or 4
- Designed for commercial applications
- 5 year warranty
