### Signature FRS 8" Subwoofer – Multivoltage

FRS-8

SKU: 172539    UPC: 664254030925

A high excursion, fiber-glass reinforced 8" woofer utilizing EMF with high-motor force design, this combination creates increased linear output with control. App based tuning includes auto-EQ function with digital room correction and DSP. The result is a subwoofer series with best-in-class fidelity for any source of audio.

#### Features

- **High-Power Amplifier** – The 1000W Active Driver is backed by a matching amplifier powering all the bass output in this subwoofer lineup.
- **High Back EMF Fiberglass Drivers** – Ultra strong Fiberglass cone with a huge motor force to battle the high pressures of small enclosures and their impact on the excursion of the woofer.
- **Luxury Style** – High-gloss lacquer finish in striking Piano Black coats a 1" MDF Cabinet.
- **Auto Setup** – Easily setup and configure the EQ settings with the Sub Station app. Automatically correct for acoustic room anomalies, allowing for the maximum listening experience in any room environment for every listener.
- **Flexibility** – With the optional wireless audio kit you can place these subwoofers anywhere in a room to create an immersive listening experience.

Woofer	8" High-Excursion Fiberglass Cone
Amplifier Power	1000 Watts
