## 8 Zone Wired Expansion Module

4219

SKU: 62270    UPC: 781410000872

The Honeywell 4219 is a wired zone expansion module that provides up to (8) additional hardwired zones of protection for a Honeywell VISTA-15P, VISTA-20P or VISTA-21iP alarm control panel. The 4219 zone expansion module is ideal for existing security systems when you need to add additional hardwired alarm devices but have no more available zones.

### Features

- Can be located anywhere along the four-wire addressable ECP bus
- Simple DIP switch addressing to select range of zone numbers
- Adds up to eight class B zone inputs to an ECP bus addressable system, each with 1K end-of-line resistor
- Class B loops provide a broad, 300 ohm tolerance
- Supervised for open, shorted and normal circuit conditions

Item Weight	9.9 ounces
Product Dimensions	2.5 x 2.5 x 3.5 inches
Material	Professional Security Components
Batteries Included	No
Batteries Required	No
Warranty Description	1 year Manufacturer's Warranty
