

4 Point Rack Shelf for SRSR Series Racks

SH-SRSR

SKU: 21629 UPC: 65674705591

The Middle Atlantic SH-SRSR 4 point rackshelf for SRSR series racks is a space-saving, 16-gauge steel, rack shelf that offers a secure space for non-rackmount components. The shelf mounts to the sides of the rack rails instead of the threaded rack-rail face, providing more useable shelf area. Two versatile "L" brackets are also included to help perfectly position your equipment. The shelf features a durable, black, powder-coat finish and all mounting hardware is included. This unit is designed for use with SRSR racks.

Features

- 16-gauge steel construction
- Effective space management
- Use non-rackmount equipment
