

8" MDU Enclosure & Cover

EN0800

SKU: 58904 UPC: 804428121930

This enclosure provides an easily repeatable and cost-effective structured wiring solution for multi-dwelling units (MDU) and small homes. In specifying this solution, customers will pair this unpopulated enclosure with our catalog of compatible phone modules, video splitters (1 GHz and 2 GHz), and patch panels (Cat 5e and Cat 6) to design the most effective solution for their project. For large projects, packages of 6 enclosures and covers (EN0806) are available.

Features:

- Package includes one enclosure and cover
- Facilitates both flush and surface-mount installations. For flush mounting, mounting tabs, and drywall depth indicators are provided
- Knockouts include screw driver holes for easy removal
- Includes four self-tapping screws for mounting and optional hardware to lock the cover
- Compatible video, voice, and data distribution modules are linked below
