

44 Space DRK Series Rack, 30" Wide

DRK19-44-31K

SKU: 67213 UPC: 65674704149

Purpose-built to support high-density cable management, the DRK series rack enclosures has a 30" wide footprint for abundant internal cable space and can accommodate 19" panel width equipment. Specify a DRK for use in network patching and other cable-heavy applications, and where seismic certification and open or removable sides are required or preferred.

Features

- Fully welded construction for strength
- Racks gang together when fully loaded
- Includes pre-installed cable ducts with hinged steel doors and magnetic closures
- Cable duct is factory mounted in front, can also be mounted to rear
- Cable ducts accommodate copper and fiber cables equally well
- Standard front and rear adjustable 10-32 threaded rackrail with numbered spaces
- Includes 100 rack screws
- Includes locking-front door, rear door, top and side panels
- Includes leveling feet

Depth	31.4"
Height	83.49"
Panel Width	19"
Primary Package Weight	406"
Rack Units	44 RU
UL Load Capacity	2,500 lbs
Usable Depth	24.25"
Usable Height	77"
Width	30"
Door Type	Plexi door
Gangable	No
Material	Steel
Rack Type	Pre-Configured
Rack Rail Type	10-32
Rear Door	Yes
Weight Capacity	10,000 lbs
Seismic Rated	Yes
ASCE Number	7-10
Certifications	<ul style="list-style-type: none">• ASCE• Greenguard• HCAI (formerly OSHPD)• LEED Contribution• UL Listed

OSHPD Number	96-967
Seismic Load Capacity	755
UL Listing Number	E173107
