

Recessed Low-Voltage Media Plate

45-0031-WH

SKU: 18896 UPC: 660559008416

Datacomm Electronics 45-0031-WH Recessed Low Voltage Media Plate offers the convenience of a duplex receptacle (45-0031-WH) and a recessed plate with enough room to store the low voltage cables behind your flat panel TV. It conceals multiple A/V wires for a neat look. The electrical outlet plate mounting wings are molded into the media plate and fasten tightly against the back of drywall. The duplex receptacle plate includes an old workbox and is sturdy and durable. It is quick and easy to install with no additional parts needed and it is a fine product for clean looking wall mounted TV installations.
