

## 3 Space Heavy Duty Vented Video Rack Shelf

AS3-22

SKU: 67068    UPC: 65674700209

For racking your video decks, the 3-Space Heavy Duty Vented Rack Shelf is constructed of steel for durability and has a tough black, powder coat finish that won't rust or scratch. It also features an adjustable depth and a high weight capacity so you can rack all your video equipment.

### Features

- **Adjustable Depth:** The front to back range can be adjusted from 19.5 to 25" deep so you can fit most video decks without a problem.
- **Durable Construction** Made of steel, this rack supports up to 500 lbs and has a 3 space height to handle the biggest deck you've got.
