

SONANCE

Patio Series 4.1 System

93429

SKU: 164013 UPC: 041093934292

Four satellite speakers and one in-ground subwoofer provide precision performance and even, balanced coverage for areas up to 1,000 square feet (93 sq. meters).

The Sonance Patio Series System comes equipped with four 1/2" NPS Threaded ground stakes, allowing for out-of-the-box speaker placement with the option to swap with preferred mounting or staking hardware.

Aesthetics

- Non-corroding, high heat ABS sealed enclosure

Performance

- 8 Ohms impedance matched system
- 8" dual voice coil subwoofer
- Perfectly even coverage for comfortable listening in areas up to 1,000 sq. ft. (~100m²) (depending on property layout)

Installation

- Compatible with Sonance 19" ground stakes
- Complete 4.1 System configuration on a single two-channel amplifier
- Expandable for up to 8.2 configuration

Includes

- (4) 3.5" Satellite Speakers
- (1) 8" In-Ground Subwoofer
- (4) Removeable speaker stakes with 1/2"NPS threading
