## 38 Space Skeleton Rack w/ Leveling Feet

SK38

SKU: 45424    UPC: 819932011608

Introducing the RACK SK38 38 Space Skeleton Rack with Leveling Feet, the perfect solution for organizing and protecting your valuable audio, video, and networking equipment. Designed with durability and versatility in mind, this skeleton rack provides a sturdy and reliable platform for your gear while offering easy access and customization options.

The SK38 features a spacious 38-space design, providing ample room to accommodate a wide range of equipment, including servers, amplifiers, patch panels, and more. Its skeleton-style construction offers an open and flexible layout, allowing for easy cable management, ventilation, and customization of your setup.

Crafted from high-quality materials, the SK38 is built to last. Its sturdy steel frame ensures stability and durability, providing a secure and reliable housing for AV equipment. The rack is designed to withstand the demands of heavy use, making it suitable for professional studios, server rooms, and home theaters.
