

## 7 Space Custom Rack Shelf, Anodized RSH4A7R

SKU: 46621    UPC: 65674701740

Middle Atlantic RSH4A7R Custom Rack Shelf. The RSH4A7R Custom Rack Shelf for McIntosh, Black Brushed and Anodized, from Middle Atlantic is a flexible solution that lets you mount virtually any non-rackmount component in a standard rack or enclosure without making any modifications.

The solution is made possible by custom cutting the face of the rackmount unit to work perfectly with the piece of equipment that you specify. The result is a neatly trimmed installation, with a snug fit and no gaps. Middle Atlantic has more than 8,000 components in its measurement database that can be matched with this unit.
