

## Medium THINSTALL Dual Swing Arm Wall Display Mount - 18"

TS218SU

SKU: 23898    UPC: 841872152448

The Chief TS218SU Thinstall Dual Swing-Arm Wall Mount is designed to mount flat-panel displays measuring 26 to 47" with a maximum weight of 75 lb. Its distance from the wall can range from 1.5 to 18" and it provides -12 to 0° of tilt and up to 1" of height adjustment. It can pivot up to 180° depending on the width of your mounted display and also offers post-installation leveling.

### Low Profile with Full Extension

The swing-arm can be folded to 1.5" depth and extends up to 18" from the wall to provide a range of positioning options

### Centris Low-Profile Tilt

Provides up to 12° of downward tilt to achieve your preferred viewing angles

### Integrated Cable Management

Enclosed tool-free cable covers are designed to make it easy to route power and signal cables and connect to the wall for a seamless installation

### Post-Installation Height Adjustment

A total of 1" of post installation height adjustment allows for your preferred screen placement and alignment

### Features:

- Supports 26 to 47" Displays up to 75 lb
- 100 x 100 to 400 x 400mm Mount Pattern
- Provides -12 to 0° Tilt Adjustment
- Provides up to 180° Pivot Adjustment
