

## 8" Tile Bridge for Strategy Speakers

FA81-8

SKU: 24741    UPC: 612079113545

The Strategy Series™ tile bridge for 8" speakers is designed to prevent ceiling tile sag by distributing the speaker assembly weight to the ceiling's support members. Model FA81-8 accepts Model Series FA95-8 and FA97-8 enclosures or plaster ring model FAPR-8. Unit is constructed of 24-gauge electro-galvanized steel.

### Features

- Accepts Both FA97-8 and FA95-8 Enclosures and FAPR-8 Plaster Ring
- Constructed of 24-Gauge Electro-Galvanized Steel
- Prevents Ceiling Sag by Distributing Speaker Assembly's Weight Across Entire Tile
