Two-Tone Flush Mount Siren

WAVE2F

SKU: 170102 UPC: 781410215511

The Wave's unique snap-open **HINGED CASE DESIGN**- an industry first for sounders - allows for installation without disassembly.

Features

- Case design fits single gang electrical box or wall plate
- Snap-open hinged case cover for faster installation
- Louder (106 dB) dual tone siren output
- Terminal strip eliminates splicing and soldering
- Corner or ceiling mounting with no additional brackets or hardware
- Channeled case back for convenient wiring access
- Vertical or horizontal mounting for great versatility
