Nest Cam Wired (2nd Gen) - White

GA01998-US

SKU: 173115    UPC: 193575029436

The indoor Nest Cam security camera knows the difference between a person and a pet, and alerts you about the things that matter to you. 24/7 live view shows you what's happening from anywhere in the Google Home app.<sup>1</sup> And with up to 3 hours of free event video history, you can go back and see what you missed.<sup>2</sup> View live HD video, replay video recordings, talk to visitors, and more - all from the Google Home app. Nest Cam (wired) requires a free Google Account and is not compatible with the Nest app or home.nest.com.

#### Features

- Different alerts for different activity. Nest Cam (wired) has built-in intelligence that knows the difference between a person and a pet, and alerts you in the Google Home app when there's relevant activity.<sup>1</sup>
- Know what's happening, 24/7. Use the Google Home app to check up on things from anywhere with live 1080p HD video.<sup>1</sup> And HDR and night vision give you a clear image even in bright sunlight and low light.
- Go back in time. See what happened in the Google Home app with 3 hours of free event video history.<sup>2</sup> Or add a Nest Aware subscription to get up to 60 days of video history.<sup>3</sup>
- Set it up in minutes. Nest Cam (wired) plugs into most indoor power outlets. Just download the Google Home app and set up your camera in a few quick steps.
- Your privacy comes first. With 2-step verification and video encryption, Nest Cam (wired) home security cameras make sure your privacy is protected.
- Designed to fit your style. Comes in a range of colors to blend in anywhere. The built-in stand, wall mount, and hinge give you the perfect angle, no matter where you put it.
- Just say, "Hey Google, show me the family room." The Nest Cam (wired) security camera lets you see the live feed on your Nest Hub smart display.<sup>4</sup>
