

1000 Center Channel Speaker

PROCTR1000B

SKU: 55168 UPC: 93207022685

The ProCenter 1000 delivers incredibly high-impact audio. Carrying as much as 75% of a movie's soundtrack, this powerful center channel loudspeaker lets you enjoy intelligible dialog and lifelike details. Featuring twin BDSS drivers along with two mid/bass radiators on the sides of the enclosure, the ProCenter 1000 plays loud and clear with high tonal accuracy.
