

# DENON

Subwoofer with HEOS

HOME SUB

SKU: 178265    UPC: 747192135874

The Denon Home Subwoofer easily connects via Wi-Fi to a Denon Home sound bar or any Denon Home speaker to add deep, powerful bass. Simply plug into wall power, connect, and play. It's compact enough to vanish in your room, but you won't be able to ignore the impact it'll have on your listening—and viewing.

## Features

- Deep bass for home theater and music
  - Pairs with any Denon Home speaker or sound bar for a more impactful experience
- 8" subwoofer with a compact and stylish design
  - Perfectly complements the Denon Home range with the same premium look
- Compact size
  - At just 13" W x 14.5" H x 13" D, the Denon Home Subwoofer seamlessly blends in with your interior
- Easy setup
  - Just plug the Denon Home Subwoofer into a wall outlet, then pair with your Denon Home products wirelessly through Wi-Fi—no speaker cables needed
- Complete control
  - Within the HEOS app, you will find advanced settings to perfectly adjust the Denon Home Subwoofer to your system
