

PROFICIENT.

Protege 6.5" 100 Watt In-Ceiling LCR Speaker

PAS13651

SKU: 170707 UPC: 664254014345

With the C651, you can build a complete in-ceiling home theater system at an astoundingly low cost. With its angled drivers, the C651 delivers realistic left/center/right imaging even though it's mounted in the ceiling. And its high-quality components and careful engineering from our team of audiophiles give it that classic Proficient sound.

Feature

- 6-1/2" Polypropylene Woofer
- Impedance: 8 Ohms
- 1" Pivoting Silk Dome Tweeter
- Sensitivity: 91dB 1W/1m
- Woofer and Tweeter Bridge Fixed at a 15° Angle
- Diameter x Depth: 9-1/4" x 4-9/16"
- Power Handling: 100 Watts
- Ceiling Cut Out: 8-1/4"
- Frequency Response: 45Hz - 20kHz
- Replaces C650 Ceiling LCR Speaker
- Includes Thin-Bezel Grille held by Neo Magnets
