8" 150 Watt Dual Voice Coil In-Ceiling Speaker

PAS12825

SKU: 170683 UPC: 664254014444

C825TT Ceiling Speaker

A stiff graphite-cone woofer makes the C825TT one of the world's best-sounding single-point stereo speakers. Because it reproduces both left and right channels of stereo sound, one C825TT can replace two conventional stereo speakers. It's an ideal choice for places where you don't have the space or need for two speakers.

Feature
