2 Space Solid Rack Blank

2UBLANK-S

SKU: 45010 UPC: 081993201148

Introducing the RACK 2UBLANK-S 2 Space Solid Rack Blank, the ideal accessory for filling empty rack spaces and maintaining a clean and professional appearance in your setup. Designed with simplicity and functionality in mind, this rack blank is a must-have for any rack system, ensuring optimal performance and aesthetics.

The 2UBLANK-S is a solid rack blank that fits perfectly into a 2U space, providing a seamless and uniform look to your rack configuration. It effectively covers unused spaces, preventing dust and debris from entering the rack while also reducing the potential for airflow disruption. This solid blank maintains a tidy and organized appearance, showcasing your equipment in a sleek and polished manner.
