Protege 6.5" 85 Watt In-Ceiling Speaker

PAS11612

SKU: 170702    UPC: 664254014260

The C612 delivers surprisingly good sound quality for its modest price. A pivoting soft-dome tweeter handles the highs, and a 6½-inch polypropylene-cone woofer dishes out plenty of powerful bottom-end bass. High sensitivity makes this speaker easy to drive even with low-powered amps. Sold as a pair.
