Product Information:

SCP Keystone Wall Plates allow you to customize your wall plate configurations using SCP Snap-In Modules. Compare SCP quality to the Leviton QuickPort wall plates but at a better price point. SCP Keystone Wall Plates are made of high-impact ABS and fire retardant plastic that is compliant with UL 94V-0 and TIA/EIA 568-C specifications. SCP Keystone Wall Plates fit standard NEMA openings. All SCP Keystone Wall Plates exceed industry standards and are compliant with NEC Article 800, meet FCC Part 68, and are UL listed.

Plastic housing	ABS high-impact UL94V-0 thermoplastic
