

ILLUMIVUE™ BY MSTR

8-Channel Standard PoE NVR with Advanced Analytics (No Hard Drive)

NVR8.2

SKU: 179966 UPC: 81993201438

Introducing the Illumivue NVR8.2 8-Channel Standard PoE NVR with Advanced Analytics (No Hard Drive) – the cutting-edge solution for intelligent surveillance. This high-performance network video recorder (NVR) combines robust features and advanced analytics capabilities to provide unparalleled security for any home or business.

With its 8-channel capacity, the Illumivue NVR8.2 allows the user to connect up to 8 IP cameras, providing comprehensive coverage. Whether it's monitoring a office, retail space, or any other environment, this NVR offers the flexibility to adapt to any unique surveillance needs.

The Illumivue NVR8.2 goes beyond traditional recording capabilities with its advanced analytics features. Leveraging artificial intelligence (AI) algorithms, this NVR can intelligently analyze video streams in real-time, detecting and classifying various events and objects. From facial recognition and intrusion detection to object counting and line crossing detection, the advanced analytics empower the user with actionable insights to enhance security protocols.

Capture every detail with exceptional clarity thanks to the Illumivue NVR8.2's support for high-definition and ultra-high-definition (UHD) resolutions. With its powerful hardware and advanced video processing capabilities, this NVR ensures smooth and fluid video streaming and playback, enabling one to monitor any property with unrivaled precision.

Features

- - - 8 Channel NVR with PoE
 - Supports Ultra 265/H.265/H.264 Video Formats
 - 1 SATA HDD up to 16TB (Not Included)
 - Third-Party IP Cameras Supported with ONVIF Compliance @ H.264
 - Video Output (Simultaneous output):
 - (1) VGA
 - (1) 4K HDMI
 - Cloud Software updates
 - 835ft PoE Connection Range
 - Onvif Support (Profile S, Profile G, Profile T)
 - Advanced Analytics:
 - People Counting
 - Ultra Motion Detection

*Optional Rack Ears Available: [RACKEARS-4/8](#)
