

Nest Wifi Pro - Snow

GA03030-US

SKU: 180294    UPC: 193575031392

Nest Wifi Pro gives you super fast, reliable Wi-Fi 6E coverage for your entire home. It automatically adjusts your network's performance to keep things running smoothly. It's so smart it can monitor and diagnose common issues on its own. And it has privacy and security features to help keep you and your family safe.

Features

- Made for the future of Wi-Fi: Nest Wifi Pro uses the latest, most advanced Wi-Fi 6E technology. So it isn't compatible with previous generations of Google Wifi or Nest Wifi.
- Thoughtfully designed to perform: Wi-Fi routers perform best when they're out in the open. So Nest Wifi Pro is designed to look good anywhere.
- Parental controls for more peace of mind: Use the Google Home app to block access to certain websites and explicit content. Set Wi-Fi schedules, internet time-outs, and more.
- Coverage for your entire home: One router provides up to 2200 square feet of fast, reliable Wi-Fi. And you can customize your setup for the coverage you need.
- Give guests their own network: Create a special network just for guests that uses a different password, so you don't have to give them yours.
- Privacy and security come first: Secure booting and software updates help protect Nest Wifi Pro from running unauthorized software and router hacks.
- Faster than fast: Nest Wifi Pro is built for Wi-Fi 6E. It's up to 2x faster than Wi-Fi 6, so you get super fast speeds and a reliable connection for your entire home.
- More bands. More speed: Hop on the tri-band superhighway and get 2.4 GHz, 5 GHz, and the new 6 GHz band. Which means you'll get faster speeds and a more reliable connection.
- Self-monitors and diagnoses: Nest Wifi Pro monitors itself, diagnoses network issues, and can even fix some common issues on its own.
