

# SAVANT

## Touch 8" Control Screen - White

ITP-E8000V2W-00

SKU: 179767    UPC: 863184005953

The ITP-E8000V2W-00 Savant Touch 8 inch control screen delivers dedicated and elegant control with stunning, high resolution graphics. Control services throughout a home or facility, including audio, video, climate, security, pool/spa and much more. Activate scenes, view security cameras, or simply crank up the tunes, a Savant touch screen is perfect for high traffic areas where quick control is a must.

This enhanced version of the Savant Touch Control Screen includes a new high-powered processor (upgraded DSP chip) for greater responsiveness with large systems, plus an all-new noise cancelling microphone for door entry and communication applications.

### Features

- White bezel
- 8" touch screen, mounts in a double gang
- Compatible with new or retrofit installations with Power over Ethernet (PoE) connectivity
- Wake up screen configurable to a specific room or service
- Presence sensor to wake the touch screen when a person approaches
- Works with Blueprint - does not require a config upload but users can be added in Blueprint for room restrictions
- Mountable in portrait or landscape mode
- Embedded Microphone and Speaker - now with improved noise-cancelling mic
- Upgraded DSP processor for enhanced responsiveness
- Can be flush mounted using available WallSmart flush mount kits
