Protege 6.5" 125 Watt In-Ceiling Speaker

PAS11641

SKU: 170706    UPC: 664254014291

Bass and treble boost switches give the C641 an extra kick in the lows or highs-or both! A stiff graphite-cone woofer plays deep bass notes with very low distortion, and it delivers a super-smooth midrange, too. A top-quality aluminum-dome tweeter produces clear, extended treble response. Sold as a pair.
