

ELURA

8" 180-Watt Powered Audio Subwoofer

SUBR8

SKU: 59447 UPC: 819932012032

Introducing the Elura SUBR8 8" 180-Watt Powered Audio Subwoofer, the perfect addition to your audio system for deep, impactful bass that brings your music, movies, and games to life. Designed with precision and engineered for performance, this subwoofer delivers powerful low-frequency reproduction that enhances your audio experience.

The Elura SUBR8 features an 8" driver powered by a built-in 180-watt amplifier, ensuring robust and dynamic bass response. Experience the rumbling lows and immersive soundscapes as this subwoofer fills your room with deep, resonant bass. Whether you're watching an action-packed movie, enjoying your favorite music genre, or immersing yourself in the world of gaming, the SUBR8 elevates your audio to new heights.

With its sleek and compact design, the Elura SUBR8 seamlessly integrates into any space. Its unobtrusive presence allows for flexible placement options, whether it's tucked away in a corner, positioned next to your entertainment center, or discreetly installed in a custom audio setup. The subwoofer's minimalist aesthetic blends effortlessly with your existing décor, enhancing the overall visual appeal of your room.

The Elura SUBR8 is a self-powered subwoofer that frees your receiver or power amplifier from the power demands of reproducing very low frequencies. To do this, the Elura SUBR8 incorporates its own built-in crossover system that automatically assigns lower frequencies to its own power amplifier, contained within the subwoofer enclosure.
