Samsung Professional 50" QMB 4K UHD Smart Display. The QMB Series combines enhanced professional features, streamlined set up and maintenance, and stunning design to elevate any business environment. From improving collaboration to showcasing rich content in new formats, QMB delivers innovation and efficiency to help businesses reach their goals. Every picture is more immersive with one billion shades of color. Dynamic Crystal Color delivers true-to-life variations, allowing customers to see every subtlety.

Samsung's industry-leading video processing technology enhances every piece of content for clarity and consistency. Intelligent UHD upscaling technology, powered by Samsung's Quantum Processor 4K, elevates lower-resolution video to UHD-level quality, providing professional picture quality. All QMB Series displays feature reliable, non-glare panels that provide better visibility from all angles, any time of day. The non-glare display enables businesses to deliver accurate information in critical locations, such as airports and train stations.
